## What's New In FontTwister Portable?

Métadonnées des fonts : Comme avec le font Twister, ce dernier contient toutes les données relatives à la fonctionnalité de l'éditeur pour pouvoir les utiliser dans une application future. Quand vous regardez la première fois un produit, quelles que soient sa catégorie, tout ce qui vient à l'esprit à l'heure de vous montrer un produit, c'est la couche visuelle, préféré de faire une bonne impression. Le même schéma vaut pour les présentations et les documents et avec l'aide de FontTwister Portable, vous pouvez créer de magnifiques titres en combinant différents éléments visuels pour vous donner de quoi travailler sur un autre ordinateur. Facile d'installation, conservée sur un dispositif d'échange USB, cela vous permet d'avoir toutes les pièces de votre projet avec vous, sans encombre. Comme il n'y a aucune installation nécessaire, vous n'avez pas à vous soucier de la condition du système d'exécution du moteur. Votre espace de travail est assez simple, à l'échelle de la prévisualisation interactive, mais vous avez un assistant avec qui l'habillement est caché au niveau des liens et les fonctions et la couche d'édition soigneusement réparties dans une bouteille. Cette simplicité vous permet très rapidement d'essayer, mais il y a un assistant à compter sur pour plus d'aide. Votre espace est si simple, avec la plupart du côté de la prévisualisation interactive, qu'il vous suffit de creuser pour vous rendre à l'interface, sans installation non plus, ce qui vous permet d'emporter toutes les pièces de votre
